

CITY OF MUSKEGO
NOTICE OF PUBLIC HEARING

PLEASE TAKE NOTICE that the Common Council of the City of Muskego will hold a Public Hearing at 7:20 PM on Tuesday, July 9, 2002, in the Muskego Room of City Hall, W182 S8200 Racine Avenue, to consider the following:

Upon the petition of the Public Utilities Committee, shall the properties falling within boundaries of the primary and secondary protection zones of the proposed Municipal Well located within the Freedom Square Condominium, be rezoned to include the OWP Overlay Wellhead Protection District designation. The intent of the OPW District is as described as follows:

Pursuant to Wisconsin Legislative Act 410 of 1984 and the requirements of Wisconsin Administrative Code Section NR 811.16(5), apply to affected properties Chapter 17:9.11 OWP Overlay Wellhead Protection District. As the residents of the City of Muskego depend exclusively on groundwater for a safe drinking water supply, it is recognized that certain land use practices and activities can seriously threaten or degrade groundwater quality. The intent of this overlay district is to protect the City of Muskego's Municipal water supply and well fields.

The regulations specified by this district shall apply to all lands that lie within the five year Time of Travel (TOT) of each City of Muskego Municipal well or 1,200 feet minimum, within the City of Muskego corporate limits, and have a well head protection area delineated in a Well Head Protection Plan accepted by the City.

The following properties identified by Tax Identification Number are affected :
