City of Muskego Residents

RE: VEOLIA'S LANDFILL USAGE—RESIDENTIAL DROP-OFF

The residential waste convenience center is part of the landfill contract with the City of Muskego, negotiated by the siting committee. The intent of this facility is for Muskego resident's convenience on an honor system. However, abuses of the drop-off process by some residents are increasing and are unacceptable. The rules that must be adhered to are as follows:

1. All residents must stop and check-in with the attendant with a proper I.D.
2. Drop off site hours are: Fridays 9:00 AM-4:00 PM (closed on holidays)
Saturdays 8:00 AM-12:00 PM (closed on holidays)
Visits to the center outside of the posted hours are considered trespassing and subject to prosecution.
3. The center is for residents only, NOT for business operations.
4. Weekly residential drop-off is limited to one level pick-up box, OR trailer equal to 1-1/2 yards. Loaded pick-ups towing a loaded trailer will be directed to cross the inbound scale and be charged the commercial rate for drop-off.
5. You must secure your load so it doesn't fall on to the roadway.
6. No Hazardous waste is permitted. Residents can use the household hazardous waste collection site across Highway 45 at 10518 S. 124 St.
7. The posted speed limit is 10 mph. PLEASE be considerate of the safety of employees and customers walking in the yard. Cameras on site record license plate numbers.
8. Any abuse toward employees will not be tolerated and will be subject to a police call and possible prosecution.

For more information on disposal of other materials and special items, visit the Waukesha County's web site www.waukeshacounty.gov/recycling
